Description:

Beige Seersucker wallcovering is a mixture off-white and tan symmetrical stripes cover the surface of this textured wall covering. It is washable and durable, making it ideal for workplace wall surfaces. Beige Seersucker graceful style has a matte shine and pleasing to the eye. Beige Seersucker wallcovering is tested class A CCC-408D and ASTM E-84 tunnel tested and fire rated. **See wallcovering patterns that are in stock, we can ship within 24 hours. To determine the order quantity, divide the total square feet of all wall surfaces on your project, by 11. Wholesale pricing for textured wallpaper projects is available on quantities above 700 yards. Contact us to order samples at no charge. Custom colors are available on orders in excess of 1000 linear yards at an additional charge. A three-to-four-week lead time should be expected to fabricate larger orders. A two hundred square foot minimum applies to all in-stock orders, and shipping charges are additional. Corporate purchasing boards can take advantage of our free consultation services. We can assist property managers in developing a scope of work for commercial interior design. Wallcovering specifications are available within each product category for architectural and interior design submittals. Installers are available within the USA; costs do vary upon location. Please send building**
