Cream Ferro Description:

This pleasing beige tan wallcovering has a large asymmetrical floral pattern that is reminiscent of a fleur de lis. With a low texture of delicate wisps and a moderate gloss, this professional pattern is great for commercial settings and facilities. This wall covering is tested class A CCC-408D and ASTM E-84 tunnel tested and fire rated.

Cream ferro wallcovering is a mixture of light tan and dark tan damask overtones. It has a smoother textured damask look with a matte shine and is ideal for commercial interiors.

Wallcovering patterns that are in stock can ship within 24 hours. To determine the order quantity, divide the total square feet of all wall surfaces on your project, by 11. Wholesale pricing for textured wallpaper projects is available on quantities above 700 yards. Contact us to order samples at no charge. Custom colors are available on orders in excess of 1000 linear yards at an additional charge. A three to four week lead time should be expected to

fabricate larger orders. A twenty five yard minimum applies to all in-stock orders, and shipping charges are additional. Corporate purchasing boards can take advantage of our free consultation services. We can assist property managers in developing a scope of work for commercial interior design. Wallcovering specifications are available within each product category for architectural and interior design submittals. Installers are available within the USA, costs do vary upon location.
