Description:

This faded mushroom wallcovering has a beautiful character and is fabricated for professional interiors. It is easy to maintain, making it ideal for wall surfaces in corridors, offices, and hallways. Its corporate style has a matte appearance and is rated for commercial interiors. This wallcovering is a washable product and is tested Class A CCC-408D and ASTM E-84 tested and fire rated for commercial use.

See wallcovering patterns that are in stock. To determine the order quantity, divide the total square feet of all wall surfaces on your project, by 11. Wholesale pricing for textured wallpaper projects is available on quantities above 700 yards. Contact us to order samples at no charge. Custom colors are available on orders in excess of 1000 linear yards at an additional charge. A three to four week lead time should be expected to fabricate larger orders. A two hundred square foot minimum applies to all in-stock orders, and shipping

charges are additional. Corporate purchasing boards can take advantage of our free consultation services. We can assist property managers in developing a scope of work for commercial interior design. Wallcovering specifications are available within each product category for architectural and interior design submittals. Installers are available within the USA, costs do vary upon location. Please send building lay-out plans to paul@wallscapeinc.com for budgeting and quantifying projects. Wallscape wallcoverings are washable, and could sustain regular maintenance intervals. A warranty comes with Wallscape orders to insure owner satisfaction. All products can be recycled at local facilities for re-purposed use. Please contact us to discuss your textured wallpaper project, or to answer any questions you may have please call 917.335.1123.
