Description:

This refined wallcovering has cool tones of white and grey in horizontal lines of varying widths, combined in a larger pattern with grey vertical lines. With a flat texture and a low gloss, this wallcovering is great for commercial settings like offices and hospitality.

Gray luge wallcovering has a medium texture with symmetric gray colored lines. Its flat finish is an upscale look in residential buildings, and is a best seller. For use in public space, tested class A CCC-408D and ASTM E-84 tunnel tested & fire rated. The durability and design enables long term savings on maintenance costs by eliminating frequent painting intervals.
