Description:

Sandy Herring Bone wallcovering, this delightful tan and gold herringbone wallcovering has a flat texture with diagonal lines and a low gloss. This attractive wallcovering has light and dark values of golden sand, giving it a professional look for corridors, facilities, and hallways. This wallcovering is washable and is tested class A CCC-408D and ASTM E-84 tunnel tested and fire rated.

See wallcovering patterns that are in stock, we can ship within 24 hours. To determine the order quantity, divide the total square feet of all wall surfaces on your project, by
11. Wholesale pricing for textured wallpaper projects is available on quantities above 700 yards. Contact us to order samples at no charge. Custom colors are available on orders in excess of 1000 linear yards at an additional charge. A three-to-four-week lead time should be expected to fabricate larger orders. A two hundred square foot minimum applies to all in-stock orders, and shipping charges are additional. Corporate purchasing boards can take advantage of our free consultation services. We can assist property managers in developing a scope of work for commercial interior design. Wallcovering specifications are available within each product category for architectural and interior design submittals. Installers are available within the USA; costs do vary upon location. Please send building

lay-out plans to paul@wallscapeinc.com for budgeting and quantifying projects. Wallscape wallcoverings are washable and could sustain regular maintenance intervals. A warranty comes with Wallscape orders to ensure owner satisfaction. All products can be recycled at local facilities for re-purposed use. Please contact us to discuss your textured wallpaper project, or to answer any questions you may have please call 917.335.1123.
