Alumina Description:

Alumina is a metallic wallcovering that has an interesting texture that creates a dynamic accent . This wall covering goes well matched with colors such as dark gray, blue, charcoal, and deep tan in public space such as hospitality, meeting rooms, elevator lobbies, corridors, restaurants, and corporate interiors. This wallcovering is tested class A CCC-408D and ASTM E-84 tunnel tested and fire rated.

To determine the order quantity, divide the total square feet of all wall surfaces on your project, by 11. Wholesale pricing for textured wallpaper projects is available on quantities above 700 yards. This wallcovering is ideal for applications in building hallways, you can contact us to order samples at no charge. Custom colors are available on orders in excess of 1000 linear yards at an additional charge. A three to four week lead time should be expected to fabricate larger orders. A two hundred square foot minimum applies to all in-

stock orders. Corporate purchasing boards can take advantage of our free consultation services in determining the lowest price points on bulk orders. We can assist property managers in developing a scope of work for commercial interior design. Wallcovering specifications are available within each product category for architectural and interior design submittals. Installers are available within the USA, costs do vary upon location. Please send building lay-out plans to paul@wallscapeinc.com for budgeting and quantifying projects. Wallscape wallcoverings are washable, and could sustain regular maintenance intervals. A warranty comes with Wallscape orders to insure owner satisfaction. All products can be recycled at local facilities for re-purposed use. Please contact us to discuss your textured wallpaper project, or to answer any questions you may have please call 917.335.1123.
