Cloth Gray Description:

Cloth gray wallcovering, has interesting textures that create a tranquil and natural linen three dimensional look. This gray wall covering has a white tint and is ideal for commercial settings like hospitality, meeting rooms, elevator lobbies, and corporate interiors. This wallcovering is tested class A CCC-408D and ASTM E-84 tunnel tested and fire rated.

To determine the order quantity, divide the total square feet of all wall surfaces on your project, by 11. Wholesale pricing for textured wallcovering projects is available on quantities above 700 yards. This wallcovering is ideal for applications in building hallways, you can contact us to order samples at no charge. Custom colors are available on orders in excess of 1000 linear yards at an additional charge. A three to four week lead time should be expected to fabricate larger orders. A two hundred square foot minimum applies to all in-stock orders. Corporate purchasing boards can benefit from Wallscape consultation

services. We can assist property managers in developing a scope of work for commercial interior design and calculate the project quantity. Wallcovering specifications are available within each product category for architectural and interior design submittals regarding custom wallcovering as well. Installers are available within the USA, costs do vary upon location. Please send building lay-out plans to paul@wallscapeinc.com for budgeting and quantifying projects. Wallscape wallcoverings are washable, and could sustain regular maintenance intervals. A warranty is included with Wallscape orders to insure owner customer confidence in product performance. All products can be recycled at local facilities for re-purposed use when it's cycle has expired.
