Wallcovering- Beige Earth Mist

Earth Mist Wallcovering Description:

Earth Mist is a beige wallcovering is a mixture of taupe copper overtones. It has a raised deep texture which looks tangibly symmetrical. Its graceful look has a matte shine and pleasing to the eye, and is ideal for commercial interiors. This wallcovering is tested class A CCC-408D and ASTM E-84 tunnel tested and fire rated.

See wallcovering patterns that are in stock on the first page below, we can ship within 24 hours. Click into each pattern to determine the inventory available. To determine the order quantity, divide the total square feet of all wall surfaces on your project, by 11. Wholesale pricing for textured wallpaper projects is available on quantities above 700 yards. Contact us to order samples at no charge. Custom colors are available on orders in excess of 1000 linear yards at an additional charge. A three to four week lead time should be expected to fabricate larger orders. A twenty five yard minimum applies to all in-stock orders, and shipping charges are additional. Corporate purchasing boards can take advantage of our free consultation services. We can assist property managers in developing a scope of work for commercial interior design. Wallcovering specifications are available within each product category for architectural and interior design submittals. Installers are available within the USA, costs do vary upon location. Please send building lay-out plans to paul@wallscapeinc.com for budgeting and quantifying projects. Wallscape wallcoverings are washable, and could sustain regular maintenance intervals. A warranty comes with Wallscape orders to insure owner satisfaction. All products can be recycled at local facilities for re-purposed use. Please contact us to discuss your textured wallpaper project, or to answer any questions you may have please call 917.335.1123.
