## **Wallcovering Galactic Dark Gray**

### **Galactic Dark Gray Wallcovering Specification:**

- Width: 52-54 inches
- Weight: 20oz. per Linear Yard
- Fabric Backed: Cotton Osnaburg
- ASTM E-84: Class A
- Repeat: 2 inches
- Flame Spread: 25
- Smoke Developed: 25

Galactic dark gray wallcovering has a deep texture with dark gray and white colored tips. Its medium finish is radiant and refined and is a best seller. For use as a durable hotel wallpaper and especially for upscale residential corridors. Tested class A CCC-408D and ASTM E-84 tunnel tested & fire rated. The durability and design enables long term savings on maintenance costs by eliminating frequent painting intervals. This wallcovering also goes well with the Wallscape Alumina pattern which is a silver metallic type.

**See wallcoverings that are in stock which can ship within 24 hours. To determine order quantity, divide total square feet of all wall surfaces on your project, by 11. Wholesale pricing is available on quantities above 700 yards. Contact us to order samples at no charge. Custom colors are available on orders in excess of 900 linear yards at an additional charge. A three to four week lead time should be allotted for larger orders. A twenty five yard minimum applies to all in-stock orders, shipping charges are additional. Corporate purchasing can take advantage of our free consultation services. We assist property managers in developing a scope of work for commercial interior design. Wallcovering specifications are available within each product category for your architectural and interior design submittal. Installers are available within the USA, costs do vary upon location. Please send building lay-out plans to [paul@wallscapeinc.com](mailto:paul@wallscapeinc.com) for budgeting and quantifying projects. Wallscape wallcoverings are washable at regular maintenance intervals. A warranty comes with Wallscape orders to insure owner satisfaction. All**
